

Net Migration Map

Directions: Using the data from the two links on the Assignment page from the class website, color in at least 5 Net-in migration states/countries and at least 5 net-out states/countries. Then, identify two observed migration streams and explain why they may be occurring.

Internal Migration

- Net-in migration
- Net-out migration

Identify migration streams and explain why they're occurring:

US

1.

2.

World:

1.

2.
